 Case Manager:

Date:
 Class:
 Data Collector:

Target Behavior: The student will initiate on-topic comments or questions without prompting and will respond to others' questions or comments with on-topic replies.

Data Summary: At the end of the observation, add up the number of on-topic comments the student initiated, the number of on-topic responses the student gave in response to something someone else said, and the number of off-topic comments (comments not related to the topic of instruction or other discussion) the student made. Record the totals in the chart below.

*****Need a minimum of 4, 20-minute classroom observations**

On-topic comments initiated by the student.	_____ on-topic comments initiated by the student in a 20-minute observed interval.
On-topic responses to something someone else said given by the student	_____ on-topic responses from the student to something someone else said given by the student in a 20-minute observed interval.
Off-topic comments made by the student.	_____ off-topic comments made by the student.

For each interaction/comment/question the student engages in during the observation, fill out a row of the data chart below. You may not use every row during the observation.

On-topic comment or question, initiated by the student On-topic response to something someone else said Off-topic comment or response (Circle one.)	Description of the comment/question/response.
On-topic comment or question, initiated by the student On-topic response to something someone else said Off-topic comment or response (Circle one.)	Description of the comment/question/response.
On-topic comment or question, initiated by the student On-topic response to something someone else said Off-topic comment or response (Circle one.)	Description of the comment/question/response.

<p>On-topic comment or question, initiated by Trevor</p> <p>On-topic response to something someone else said</p> <p>Off-topic comment or response</p> <p>(Circle one.)</p>	<p>Description of the comment/question/response.</p>
<p>On-topic comment or question, initiated by Trevor</p> <p>On-topic response to something someone else said</p> <p>Off-topic comment or response</p> <p>(Circle one.)</p>	<p>Description of the comment/question/response.</p>
<p>On-topic comment or question, initiated by Trevor</p> <p>On-topic response to something someone else said</p> <p>Off-topic comment or response</p> <p>(Circle one.)</p>	<p>Description of the comment/question/response.</p>
<p>On-topic comment or question, initiated by Trevor</p> <p>On-topic response to something someone else said</p> <p>Off-topic comment or response</p> <p>(Circle one.)</p>	<p>Description of the comment/question/response.</p>
<p>On-topic comment or question, initiated by Trevor</p> <p>On-topic response to something someone else said</p> <p>Off-topic comment or response</p> <p>(Circle one.)</p>	<p>Description of the comment/question/response.</p>
<p>On-topic comment or question, initiated by Trevor</p> <p>On-topic response to something someone else said</p> <p>Off-topic comment or response</p> <p>(Circle one.)</p>	<p>Description of the comment/question/response.</p>
